

# ***Kick Start Your Creativity***

**FREE** Six Week Printmaking Course starting end of January.  
***Register your interest now!***

Join Double Elephant for a creative New Year. Learn new skills, develop new social connections and display your art work in a public exhibition.

*Kick Start Your Creativity* is new course for Devon residents who would like to explore their creative side in a supportive, safe and friendly atmosphere.

Over the course of three months, you will work in small groups in our professionally equipped artists' studio to learn printmaking skills and develop your own creative project supported by an experienced artist tutor. The work created will be exhibited in a public gallery in central Exeter.

Sessions will be held on either Monday morning or evening, or Tuesday afternoons from the end of January. Places are limited so please register your interest now by emailing, and letting us know which session time you'd prefer:
